

Welcome to the Canine Academy

Where dogs learn how to share life with people and other dogs, and have fun doing it!

Our academy offers an integrated program, where all classes relate to and build upon each other, helping both you and your dog build a special life-long relationship.

Geared for dogs of all breeds and stages of life — puppies to seniors — our program will help your dog better understand our human world and build confidence while learning how to properly interact with you, other people and other dogs.

Our instructor, Eric, offers a broad range of learning opportunities, including, small group classes, private lessons, play sessions, one-on-one sessions, and boarding school — each geared toward the mastery of companion skills, commands, and behaviors using:

- Clear Instruction
- Communication Dogs Understand
- A Focus on Relationship
- Real-Life Situations

Our Instructor

Eric Gillaspy, CPDT- KA

Eric loves dogs and they love him. As our resident obedience instructor, he is at our facility Tuesday through Saturday, ready to help you with your obedience training needs.

Eric is certified with the Council of Professional Dog Trainers — Knowledge Assessed, and has been training dogs professionally for well over twenty years.

At our facility since 2004, Eric specializes in identifying and solving behavioral problems, and implementing positive-reinforcement techniques that produce long-term results.

His techniques are both effective and humane, and have been featured in the *American Animal Hospital Association Pets Matter* publication and the *Purina Petfinder*.

From the classroom setting to private one-on-one lessons, Eric is dedicated to helping dogs and people have great relationships at all stages of life.

Always happy to discuss obedience problems and solutions, he will guide you into the training that best meets your needs and training goals.

PRIVATE SCHOOL

Board & Train Lesson

One-on-one training for the canine guest staying in our Boarding Lodge, and a great way to keep any dog active and challenged.

Consists of a private 25-minute lesson with Eric, working on skills, commands, and behaviors. Special problems will be addressed at your request. You can schedule up to two lessons a day for boarding stays that are scheduled on the days Eric is here. **\$20 per lesson**

Boarding School

A two-week intensive training program in which your dog stays with us Tuesday to Friday and trains daily with Eric.

Your dog will go home with you for the weekend, allowing both you and your dog to practice the skills learned during the week in your home environment.

On the last training day of the week, Eric will review the week's accomplishments with you and instruct on what needs to be re-enforced and practiced.

This program includes 8 training days and 6 boarding nights, plus, one follow-up session to be conducted within 30 days of completion of the program. Fee does not include medical, grooming or weekend boarding services. **\$650**

Perfect Puppy / AKC S.T.A.R. Puppy Certification

For puppies 8 weeks to 5 months old. A wonderful introduction to the world of humans and other dogs, with a focus on building the bond between you and your puppy. It teaches basic commands and socialization skills, and addresses common puppy issues, including, biting, jumping, digging, barking, house-training, crate-training, nutrition and first aid. Class-time also involves group play. Also, prepares your puppy for AKC S.T.A.R. Puppy certification and the certification test, and awards the AKC S.T.A.R. *Puppy Certificate* upon graduation. Meets twice weekly for 3 weeks. **\$125**

Companion Dog Essentials 1

For dogs 6 months & older. The next step toward reinforcement of the skills and commands learned in *Perfect Puppy*, plus, the additional commands necessary for appropriate interaction with you in real-life situations. Behavioral issues addressed as needed. Includes first aid component. Meets twice weekly for 3 weeks. **\$135**

Companion Dog Essentials 2

For *Companion Dog Essentials 1* graduates. Focuses on further mastery of dog companionship, with the addition of situational and environmental distractions. A perfect compliment to *Essentials 1* and a great way to prepare for *Canine Good Citizen*. Meets once weekly for 6 weeks. **\$135**

AKC Canine Good Citizen

For *Companion Dog Essentials 1* graduates. Includes a thorough review of all obedience commands, then focuses on consistent performance of the commands with confidence and self-control. Your dog will be trained to act mannerly at home, in public, and when associating with other dogs by perfecting its behavior in the presence of distractions typical to public places. The nationally recognized *AKC Canine Good Citizen Test* administered during the 5th week of class, and a certificate awarded upon successful completion of the test. Meets once weekly for 5 weeks. **\$145**

Canine Life & Social Skills (C.L.A.S.S.)

For *Companion Dog Essentials 2* graduates. A degree-level training and assessment program in which dog and owner perfect and demonstrate their ability to successfully interact together in real-life situations. Owner also required to demonstrate understanding of and skill in the handling of their dog in real-life situations. Both dog and owner must pass final exam for diploma to be awarded. Includes B.A. & Masters level classes. Meets once weekly for 6 weeks. **\$150.00**

Agility For Fun

For *Companion Dog Essentials 1* graduates. Combines obedience skills, challenge and fun, by training your dog to perform skills on command, along a set course. Provides an opportunity for your dog to broaden skills and confidence by learning to navigate the agility course with ease. Meets once weekly for 6 weeks. **\$140**

Rally 'O' For Fun

For *Companion Dog Essentials 1* graduates. Combines obedience skills and competition by training your dog to perform obedience skills on commands along a set course, while competing for accuracy and speed. Provides a unique and fun way to utilize obedience skills while reinforcing discipline and communication between you and your dog. Meets once weekly for 6 weeks. **\$140**

Barkour

For the high energy, active dog. Combines obedience skills, challenge and fun by training your dog to perform learned skills on an outdoor course of obstacles. Builds on confidence and perseverance. Offered in warmer months only. Meets once weekly for 6 weeks. **\$140**

All classes and lessons must be scheduled with our receptionist.

PLAY CAMP

An ideal way to enhance socialization skills at all stages of learning, Play Camp provides the physical activity and group play that dogs love. Offered each week, this fun, supervised play time gives dogs the opportunity to make new canine friends and learn how to play and interact with them appropriately.

Conducted in the safety of Eric's training room and under his supervision, dogs can play with each other and with toys to their heart's content.

Available to obedience students, Lodge boarders, daycare boarders, and other pre-approved dogs. Dogs may attend any number of time periods during a scheduled Play Camp or stay the entire time. Dates and times may vary.

For friendly dogs only—dog-aggressive and/or people-aggressive dogs are not allowed.

Participation of un-neutered males allowed on a case by case basis and at Eric's discretion. Not available for un-spayed females older than 6 months.

\$8 for each 30-minute time period
(one-hour minimum for non-boarding, drop-in campers)

PRIVATE LESSONS

One-on-One

A one-hour lesson with Eric designed to address your specific training needs and customized for your dog. All lessons are at our facility and scheduled as needed at a time convenient to you. **\$80**

In-Home Lesson

A one-hour lesson with Eric, conducted in your home, that focuses on correcting specific problems that occur in your home environment. Home lessons limited to a ten mile radius of our facility. **\$120**
