

Welcome to Our Boarding Lodge

Whether it's for one day or for several days, your pet is our special guest while staying in our Boarding Lodge.

We offer separate accommodations for dogs and cats, and our guests receive one-on-one care throughout their stay.

Our Boarding Lodge is all-inclusive! We provide comfortable beds and blankets, the feeding of meals, treats, and supplements, indoor play time, and outdoor walks for dogs. All are included in your pet's boarding fee.

Our caring Pet Care Specialists take the time to know your pet and its needs, and our medical team is available during our regular business hours.

We offer three types of boarding depending on the needs of your pet — *Standard* for healthy, fully mobile pets, and *Medical* and *Extensive Care* for pets with additional needs.

Please note: *Extensive Care* boarding is available only to pets that are current patients at our facility. A signed release may be required if a pet has recently received care at another facility, by a specialist, or a pet ER.

All Boarding at our facility is limited to pets that do not require after-hours observation or monitoring.
