

Welcome to Our Boarding Lodge

A caring place for pets to stay when their human families are away!

Whether it's for one day or for several days, your pet is our special guest while staying in our Boarding Lodge.

We offer separate accommodations for dogs and cats, and our guests receive one-on-one care and attention throughout their stay.

Our Boarding Lodge is all-inclusive. We provide comfortable beds and blankets, the feeding of meals, treats, and supplements, indoor play time, and outdoor walks for dogs. All are included in your pet's boarding fee.

Our caring staff members take the time to know your pet and its needs, and our medical team is available to address any medical concerns or problems during our regular business hours, should they arise.

We also offer *Medical Boarding* services for pets requiring special care and observation, or the administration of medications.

For pets requiring a high degree of special care or handling, including, senior, geriatric, and physically disabled pets, we provide *Extensive Medical Boarding* care with our medical team.
