Making Your Dog's Reservation

1. Boarding School runs from Tuesday through Friday for both one and two-week programs. When you schedule your dog for Boarding School, be sure to request your pet's boarding reservation for Tuesday through Thursday of the week needed. Your dog will go home on Friday and, for the two-week program, will return the following Tuesday.
2. If you wish to board your dog over the weekend, reservations for Friday, Saturday, Sunday and Monday nights must be made separately, as they are not included as part of the Boarding School program. Additional nights will be at our regular boarding rates (see Boarding Lodge brochure).
Please note: Weekend boarding over major holidays may not be available due to high demand. To secure a stay over a major holiday, you'll need to make your dog's reservation well in advance.

Vaccination Requirements

1. Your dog must be current on the following vaccinations *at least 7 days prior* to the first day of school: *Rabies, Distemper, Bordetella & Leptosporosis*
Canine Flu is not required, but is recommended
2. If vaccinations were not given at our facility, a current vaccination record for your dog from a licensed veterinarian must be provided in order to make your dogs' reservation.
Please note: We do not administer overdue vaccinations on the first day of school.
3. If your dog is not current on its vaccinations, it will not be allowed to check-in.

Program Fee

The Boarding School Program fee is **\$400** for the 1-week program, and **\$650** for the 2-week program. The fee is required in full at check-in on your dog's first day of school.
